brilliant.

XSYS
Print solid. Stay flexible.

About XSYS

XSYS is a global provider of integrated solutions for the flexographic, letterpress and pre-press printing markets, offering photopolymer plate processing systems, sleeves/adapters, and complementary workflow technologies. With a strong focus on customer success, we combine deep technical expertise with service and support to deliver consistent quality and productivity for printers, converters, and trade shops.

Material Handler

Mission of the role & responsibilities

We are seeking a dedicated and detail-oriented material Handler to join our dynamic team. The Material handler will play a crucial role in the efficient operation of our production, ensuring materials are handled safely and effectively. This position requires a strong commitment to safety and the ability to work in a fast-paced environment.

Duties include but are not limited to:

- Delivery of products to the manufacturing Line
- Ensure all delivered products and materials are staged in the proper areas

- Rotate materials as needed in all production areas by setting up the appropriate materials needed per shift.
- Maintaining inventory organization on all materials with a handheld scanner
- Assist in weekly, bi-weekly and monthly cycle counts for inventory control
- Prepare rejected film roles for return to vendor
- Perform all WM transactions in real time
- Cross train in Shipping and Logistics to fill in as needed.

Required qualifications

- Forklift experience
- Proficient in order picking and material handling techniques
- Familiar with Warehouse Management Systems
- Understanding of safety protocols, particularly OSHA standards, within a warehouse setting
- Excellent organizational skills and attention to detail
- Ability to work effectively in a Team-Oriented Environment while being self-motivated

Benefits

- 401(k) 401(k) matching
- Dental insurance
